Healthy Food Systems

hosted by The Waterloo Region Food System Roundtable

Eating at the Casino: Hunger and the World Food Economy

with Jennifer Clapp, Professor of Environmental Studies, uWaterloo

While the recent spike in global food prices – led by price surges for wheat and maize - may be an inconvenience for us, it is a serious matter for the world's poor who spend more than 50% of their incomes on food. Dr Clapp will discuss the causes and possible solutions of rising global food prices.
