Waterloo Region Food Summit

On November 16-18, 2009, world leaders will be meeting in Rome for the United Nations Food Summit to address the hunger crisis which affects one-sixth of humanity.

At the same time, residents and leaders in Waterloo Region will come together to discuss the challenges to accessing food in our community, share ideas, and decide what to do to address the situation.

Everyone is welcome to join us in this important work!

What are we doing about the hidden hunger in our community?
